Fixing certain scale of feeding charges in the Bangalore Veterinary Hospital

FROM The Director of Agriculture

No. Roc 178-C.V. 36-37 Dated 24/8/36 Received —

Diary No. 1020	Enclos. 1	Spare copies —	Serial No. 1

BRIEF ABSTRACT OF LETTER

Proposes certain scale of charges towards feeding the animals to be admitted as in-patients at the Veterinary Hospital, Bangalore, & the payment of 25% of the fees collected to the Caretaker & requests sanction for the same.

NOTES AND ORDERS.

1 Subd. ~~The~~ The proposal may perhaps be sanctioned for a period of one year in the first instance. The Secy, S.P.C. may be consulted in regard to the direct purchase of rations.

2 It will be seen from the Administration Report of the C.V.D. for 1934-35 (a copy of

(herewith put up) that 11,230 fresh cases were admitted, 27,197 cases attended to, 325 animals castrated & 1459 other operations performed in the Veterinary Hospital, Bangalore. These particulars may be include both inpatients and outpatients.

If allowed the information on the following points & a copy of the rules that are in force in the C & M., Station, Bangalore may be called for —

1) Why the levy of fees should not be made compulsory on all owners visited & only on the owners who cannot attend to the feeding of sick animals themselves,

2) Statistics regarding the total number of inpatients admitted & attended to during the last year i.e., 1935-36, the probable amounts that may be realised each month (in the shape of fees towards feeding charges, &c,

Buffaloes, bullocks, cows, calves, sheep, goat, puppies & adult dogs

Orders

See GO 29/8

It appears from the Dr's letter that under the existing arrangements sick animals admitted as inpatients are being cared for by the owners themselves or their agents.

The proposal of the Dr is said to be for the benefit of those owners who cannot attend to the feeding

Ly. 1.9.36

Serial No.

13 Rep paras 7 & 10 above

The collections containing the rules for regulating the levy of fees for the treatment of sick animals, etc, in the Veterinary hospitals at Bangalore and Mysore, are put up for reference. It was directed, in clause (b) of para 2 of G.O. No R. 5411-52 / Agri 77-11-2 dated 30/3/1912 & G.O. No R. 4760-807 / Agri 7-16-4 dated 20/11/1916, that the feeding, grooming, attendance, etc, of patients be undertaken by the Owners themselves.

14 The Govt Order now proposes to levy fees for feeding animals to be admitted as in-patients into the Veterinary hospital at Bangalore. But this system is not compulsory. The owners who can afford to feed their sick animals themselves, may do so but they cannot avoid the payment of other fees prescribed by Govt for treatment, etc. The fees collected towards feeding charges will, it is stated, be sufficient to meet both the wages of the caretaker appointed for this purpose

NOTE—Contn. Sheet.

2.

Returned with compliments.

I have consulted the Superintendent, Civil Veterinary Department, in the matter and he is of opinion that it is not intended to appoint any separate man for this purpose on a monthly pay. But the proposal is to allow the existing permanent peons on extra remuneration from feeding charges to the extent of 25% for the utilisation of these menials' services in out of Hospital hours i.e. over time allowance, which to begin with, may not exceed Rs.5/- per mensem.

4 Unless this system is tried for about a year or so, it is not possible to say what the probable receipts would be and what permanent appointments may be made in this behalf.

2 Valuable horses and ponies are being maintained mostly by officers in Cantonment and in the City such valuable animals are not found. ~~except some~~ jutka ponies, ~~the owners of which~~, the owners of being generally poor, may not be willing to leave them as in-patients. So it was not found necessary to include them unless necessity arises. As however, the question has to be settled now, once for all, feeding charges for horses and ponies may be fixed at the same rate as in Civil and Military Station i.e. between Re.1/- and annas 8 - according to size.

M.O.No.359/37. dated 8th April 1937.

3° Regarding the accounting of fees realised, the officer in charge of the hospital has to maintain a register of fees realised and credit the amount into the State Huzur Treasury each day to a new head of account to be opened viz. "XXI Agriculture, fees realised in Bangalore Veterinary Hospital for the maintenance of inpatients." A separate order will be issued for the opening of this head of account in the State Huzur Treasury.

3/ Fodder and other articles required for the maintenance of animals may be obtained under S.P.C. rules after due provision in the Budget and the hospital should maintain a correct stock account of receipts and issues of the articles and these accounts will be subject to local audit and inspection by the Local audit staff of the Comptroller's office.

3 a- Charges for the supply of fodder and other articles stated above may be debited, after pre-audit to a head of account "27 (4) (a) (b) purchase of fodder in the Veterinary Hospital" to be newly opened.

3) The issue of fodder to the inpatient animals has to be regulated by a fixed scale according to the condition of each class of animal to be treated and it is necessary that this should not exceed the scale of fees, levied.

B. NARASIMHA IYENGAR, ESQ., B.A., PH.D.,
DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

To

M. Venkatesa Iyengar, Esq., M.A.,
General Secretary to the Government
of Mysore, Bangalore.

25 AUG. 1936

Sir,

I have the honour to enclose herewith copy of letter No.S.S.5-44 of 36-37 dated 16th July 1936 from the Superintendent, Civil Veterinary Department, proposing certain scale of charges towards feeding the animals to be admitted as inpatients at Bangalore Veterinary Hospital and to state that the rates proposed are according to those prevailing at the Veterinary Hospital, Civil & Military Station, Bangalore. I think some such system is necessary at a big place as Bangalore City, to afford facilities to the owners who cannot attend to the feeding of sick animals themselves.

With regard to the remuneration proposed to be paid to the caretaker, I would fix it up at 25% instead of 30% of the fees collected towards feeding charges and the Superintendent, Civil Veterinary Department is also agreeable to it.

Before making permanent arrangements with regard to the purchase of storage of rations for the inpatients, which has to be done in the light of the experience to be gained, I would submit that the Veterinary Inspector may be permitted for a period of one year to purchase necessary rations required for each such animal for the day and use it.

I request you to be so good as to obtain early sanction of

P.t.o.

Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

B. Venkayya

kvs. Director of Agriculture.

Letter No.S.S.5-44/36-37 dated 16th July 1936 from the Superintendent, Civil Veterinary Department, to the Director of Agriculture in Mysore, Bangalore.

I have the honour to submit that Government orders may kindly be obtained for charging the following scale of charges towards the feeding of inpatients at the Bangalore Veterinary Hospital when the owners cannot attend to the feeding of sick animals themselves, as some owners would be willing to take advantage of such a system.

1. Buffalo, bullock or cow	As. 8/-	per day.
2. Calves, sheep and goats	" 2/-	"
3. Puppies	" 4/-	"
4. Adult dogs	" 6/-	" per day according to size.

An advance of ten days feeding charges should be paid on admission when feeding is to be undertaken by the Hospital staff. Any balance due will be refunded.

Special charges are made for animals requiring special feeding.

Special ~~charges are~~ drugs or medicines will be charged for separately at actual cost.

30% of the fees collected towards feeding charges of inpatients will be paid to the caretaker appointed temporarily for this purpose till extra permanent staff are sanctioned, for which proposals are submitted separately. After the experience of one year, arrangements for calling for tenders for diet will be proposed.

Copy.

To M. Venkatesa Iyengar, Esq., M.A.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

GENERAL SECRETARIAT
28 NOV

SIR,

Subject: Regarding the proposal of certain scale of charges on account of feeding animals to be admitted as inpatients into the Bangalore Veterinary Hospital.

With reference to your letter No.D.1805/C.V.18-36-2 dated 7th September 1936 calling for certain information regarding the above subject I have the honour to enclose herewith copy of the letter No.SS.5-44/36-37 dated 11-11-1936 from the Superintendent, Civil Veterinary Department, Bangalore, furnishing the required information and to state I agree with him in the views expressed.

I request that you will be so good as to obtain early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

B. Narasimhaiyengar

Director of Agriculture.

A/J.

Letter No.SS.5-44/36-37 Enc:3 dated 11th November 1936, from the Superintendent, Mysore Civil Veterinary Department, Bangalore, to the Director of Agriculture in Mysore, Bangalore.

With reference to your No.Roc.178/C.V.7/36-37 dated 15th September 1936, forwarding copy of letter No.D.1805-C.V.18-36-2 dated 5/7th September 1936 of the General Secretary to Government for furnishing information called for therein, I have the honour to state as follows:-

1. As the owners are allowed the option of maintaining their sick animals at the Hospital, the question of collection of feeding charges arises only in such cases where the owners do not want to take advantage of the option. Even those of the owners, who attend to the feeding of sick animals themselves, can avoid the payment of only feeding charges but not treatmant fees prescribed as for out patients.

As the Veterinary Inspector is in charge of the patients and the Assistant Superintendent supervises the work whenever he is at Headquarters, I do not feel that there will be any room for abuse.

2. Yes. The balance will be sufficient to cover the cost of ration etc.

3. Yes. It is almost the same except in cases of dogs in which case the entire responsibility is taken by the Hospital authorities though the owners are given the option of sending an attendant in addition, if they so desire.

A copy of the rules of Civil and Military Station is enclosed as desired.

About 100 inpatients of all classes are expected in a year and it is likely that half of them will take advantage of the system of paying prescribed feeding charges.

Annexure to G.O. No 1) D 8093-8153 dated 1-6-34.

Rules for regulating the levy of fees for feeding animals to be admitted as in-patients into the Veterinary hospital at Bangalore

The scale of feeding charges will be as follows:-

(a) Buffalo, bullock or cow	—	As 8/- a day
(b) Calves, sheep & goats	—	As 2/- -do-
(c) Puppies		" 4/- -do-
(d) Adult dogs		" 6/- -do-
(e) Horses & mules		Between Re 1/- and As 8 per day according to size.

N.B. The owners of in-patients who make their own arrangements for feeding will not be charged the above fees.

2. An advance of ten days feeding charges shall be paid on admission when feeding is to be undertaken by the hospital staff. Any balance due will be refunded at the time of discharge.

WD 0186—GPR—15,000—6-9-34

3. Special charges will be made for animals requiring special feeding.

4. Special drugs or medicines will be charged for separately at actual cost as per approved list kept in the hospital.

5. When the animal is fit for discharge the owner will be furnished with a bill showing the amount charged for feeding, treatment, etc; if he does not remove the animal on the day he receives the bill an overstaying fee will be charged for day at the above rate. If the animal is not removed within three days it will be sold at the owners' risk.

6. The charges for the removal & disposal of all Carcasses will be paid for by the owners concerned.

Fees.

Approves of the Rules for regulating the levy of —— for feeding animals to be admitted as in-patients into the Veterinary Hospital at Bangalore.

READ—

Correspondence ending with letter No. R.O.C. 178—C.V. 7 of 1936-37, dated the 17th December 1936, from the Director of Agriculture, stating that it is desirable to levy fees for feeding the animals admitted as in-patients into the Veterinary Hospital at Bangalore, when the owners thereof cannot attend to the feeding of sick animals themselves and recommending sanction:

(1) to levy fee according to a scale proposed;

(2) to pay 25 per cent of the fees collected to the care-taker appointed for this purpose, the balance being sufficient to cover the cost of rations, etc., and

(3) to permit the Veterinary Inspector in charge of the hospital to purchase the required rations without calling for tenders.

2. Un-official Note No. 902—Spl., dated 10th April 1937, from the Comptroller in the matter.

ORDER No. D. 8093-8153—C. V. 18-36-6, DATED BANGALORE, THE 27TH MAY—1ST JUNE 1937.

Government are pleased to sanction the recommendations of the Director of Agriculture with the modification that the purchase of rations should be made in accordance with the Stores Purchase Committee rules. The rules approved by Government are annexed to this order and will be in force for a period of one year in the first instance.

2. The officer in charge of the hospital will maintain a register of fees realised and credit the amount into the State Huzur Treasury each day to a new head of account, *viz.*, "XXI. Agriculture, Fees realised in the Bangalore Veterinary Hospital for the maintenance of in-patients."

3. Fodder and other articles required for the maintenance of animals should be obtained under the Stores Purchase Committee rules after due provision in the budget and the hospital shall maintain a correct stock account of receipts and issues of the articles and these accounts will be subject to local audit and inspection by the local audit staff of the Comptroller's Office.

4. Charges for the supply of fodder and other articles referred to above shall be debited, after pre-audit, to a new head of account "27, (4) (i) (b) Purchase of Fodder in the Veterinary Hospital."

5. The issue of fodder to the in-patient animals shall be regulated by a fixed scale according to the condition of each class of animal to be treated and this should not exceed 75 per cent of the scale of fees levied.

6. Necessary action should be taken to open the following new heads of account in the budget:—

(1) "XXI. Agriculture, Fees realised in the Bangalore Veterinary Hospital for the maintenance of in-patients; and

(2) 27, (4) (i) (b) Purchase of Fodder in the Veterinary Hospital."
